Where to Go Camping Guide - Campground Submission Form

The Nisqually Lodge is seeking recommendations from local units for good places to go camping. If your unit has stayed in a campsite/campground and you've had a positive experience, and you think other scout units would enjoy it also, please complete the following form so we can include it in a "Where To Go Camping Guide" to be released later this year. Please complete this form (photocopy it if you'd like to submit more) and return it in your recharter packets. We appreciate you taking the time to contribute to the guide.
