# RAVEN'S WING

ISSUE 1

JANUARY 2020

## GREETINGS BROTHERS!

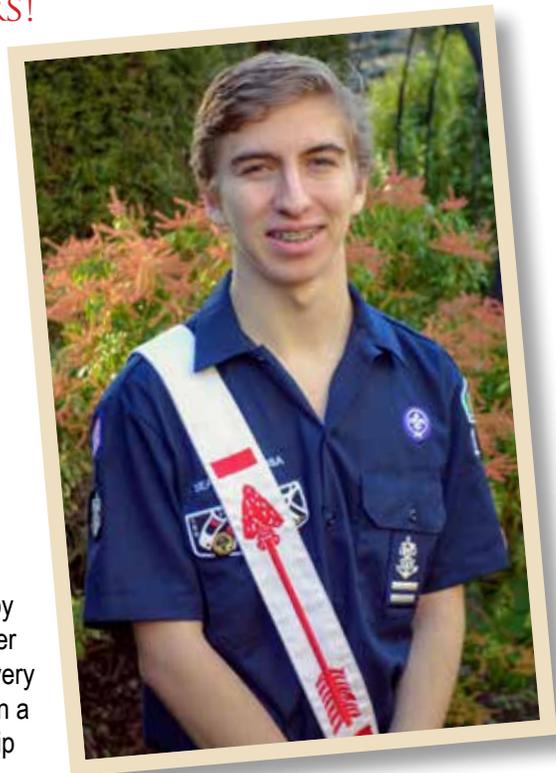

*By Conner Frans, Lodge Chief*

In 2019 our lodge celebrated its 25th anniversary by inducting a whopping 117 new arrowmen, converting 22 members to Brotherhood, honoring eight members with the vigil honor, traveling to three different conclaves in Eastern Washington, Alaska, and Oregon, and serving our council through cheerful service. Our 25th anniversary helped prepare our lodge to tackle the upcoming decade and to achieve our goal of thriving for years to come.

I am more than excited to embark on this journey at the helm of the lodge by serving as your new Lodge Chief. Over these coming months, I encourage every member who completed their ordeal in a previous year to seal their membership with the lodge by becoming a brotherhood member. I also encourage all of our members to make the lodge visible to their home troops by scheduling unit visitations, elections, and establishing a troop representative. I would also like to encourage our members to consider venturing out to Fire Mountain in Mt. Vernon next September for the annual Section conclave. The more members that our lodge sends to this event, the more fun that everyone in attendance has.

This past October I had the honor of leading and planning the Lodge's annual Fall Fellowship. Our members had a great weekend of brotherhood and cheerfulness. The attendees played hours of Gaga ball, ate lots of delicious food, and enjoyed taking whacks at a piñata. Our lodge also enjoyed inducting several new brotherhood members and conducting the annual elections for both lodge and chapter positions. I would also like to thank everyone who supported me in my role as vice chief of inductions this past year.

## LODGE ADVISER'S MINUTE

By Gene Victor, Lodge Adviser

On July 31, 2007, our National Chief gave a speech. In his speech, he related a story about the importance of salt to the human race.

Salt is a major ingredient that is used to season our food. When we use salt to season our food, it usually takes several shakes to spread multiple granules of salt onto the food. Everyone's tastes are different, so not everyone will require the same amount of salt to provide the added seasoning to satisfy their taste buds.

In the early days, salt was used to preserve foods. Early settlers did not have the convenience of cold storage from refrigerators or freezers as we have today. They would use an abundance of salt to cover their meat to preserve it for later consumption.

Salt can also be used with water to create a mouthwash for sores you may have in your mouth. Simply rinse your mouth out with this salt and water solution to expedite and improve your oral health.

We have identified three attributes of salt: (1) It seasons, (2) it preserves, and (3) it improves.

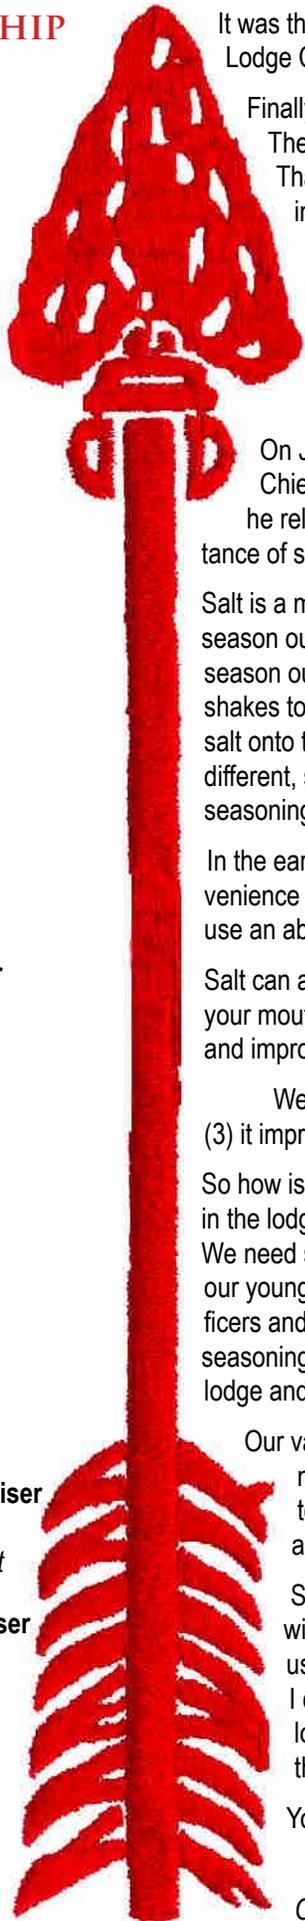

So how is salt related to our lodge? Why is it important to our lodge? Do we need salt in the lodge? Do we have salt in the lodge? Consider each member a granule of salt. We need salt for the same reasons mentioned above. We need to constantly season our younger members for them to one day lead the lodge and chapters as youth officers and chairmen. Seasoned, older Arrowmen can provide help in continuing this seasoning process. We need salt to continue to preserve our values not only in our lodge and chapters but also in Scouting and our society.

Our values must be maintained and passed on in our future. Every year we should not be complacent to just do what was done the year before. We should strive to improve on what we did last year seeking to move from a Thriving Lodge to a High-Performing Lodge.

Salt is composed of tiny individual granules and one granule is a start, but will not provide enough to recognize a huge difference. However, when we use multiple granules of salt, we begin to realize a difference and see results. I challenge you to band together like granules of salt and help season our lodge, work to preserve our values, and participate to improve our lodge and the members in it.

Your Brothers need you. Will you answer the call?

## BOUND IN BROTHERHOOD

by *Sam Taylor, First Vice Chief*

What is your favorite part of OA events? Is it the food? The swag in the trading post? Treasured time spent with friends? Each of us has something that persuades us to spend our time with one another, bound in brotherhood and engaged in cheerful service. The food we eat, the swag we create and the activities that we partake in are all planned in advance and I invite you to take center stage in that planning. Find the committee that suits your interest within this Raven's Wing.

As your 2020 Vice Chief of Program, Service and Communication, it is my privilege to create, promote and ultimately enable opportunity for your direct involvement in the facets of the Order of the Arrow that interest you!

Keep your eyes peeled for numerous service opportunities, from camp improvement projects at Camp Thunderbird to camporee staff opportunities at the Olympic District Klondike (January 24-26 @ Camp Thunderbird) and at WashJam (August 20-23 @ Joint Base Lewis McChord)

As a member of an OA staff at Klondike, Washjam or any other Scouting event, you can expect to welcome campers with a smooth parking lot experience, staff program areas, and complete other tasks as needed. Hours worked at Klondike and Washjam count toward your 2020 Chief's Challenge!

Effective communication creates opportunity for those who may not have otherwise had it. We need you to create opportunity for other Arrowmen and future Arrowmen. We need your writing, editing and photography skills in order to enhance all Nisqually communications including the Raven's Wing, social media and email.

We can all improve Lodge communication by reaching out to a fellow Arrowman directly and inviting them to a Chapter or Lodge event.

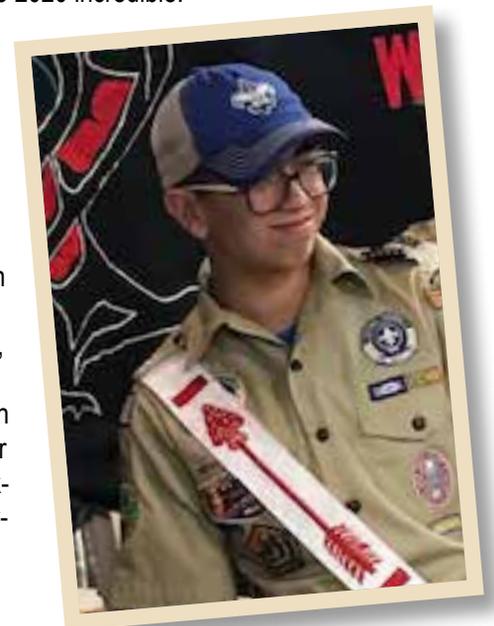

One thing is clear, your involvement will make 2020 incredible!

## 2020 IS LOOKING BRIGHT

Brothers and Sisters of Nisqually 155, Welcome to the New Year! 2020 looks to be even better for our service to scouting in Pacific Harbors Council! As we prepare for elections, unit visits and our Crafts and Ceremonies Winter Fellowship weekend, we can reflect on all the good work we have accomplished. Our lodge membership is up, but we are still working on our goal of 401 members. Our Brother-

hood conversion program is solid; I encourage you to seek the Brotherhood honor at one of the many opportunities in 2020.

The trading post has you covered for winter camping with a Lodge Fleece Jacket, embroidered with the Raven, and your name! Pair that with a Lodge beanie to keep you warm in your snow caves and ski trips. They are great for the Klondike derby! The back of the jacket is a great place to wear your 25th Anniversary Activity set.

Our long awaited Lodge Neckerchiefs are in, and they look great! Likewise, look in the trading post for the new Nisqually 155 water bottles to help keep you hydrated during all your scouting activities this year.

In addition to all the good looking patches, fleeces and snacks, let me know what YOU want to see on sale. We are looking for new items to stock going into 2020. I'll see you at the Lodge Banquet, just let me know!

It's also time to help the lodge show National what great work OA does within the Unit. We need to capture this data, by having every troop, crew, and ship with Lodge Members fill out the 2019 Unit of Excellence OA form available on the Nisqually155.org website.

A few minutes filling out the form can raise our score and allow us to be competitive for annual grants to improve our camp!

The annual pass for 2020 debuted at Fall Fellowship, It's good for 6 events during the year, for the price of 5! ## THIRD VICE CHIEF NATE

*by Nate Ostheller, Third Vice Chief*

I have the pleasure of serving as Nisqually's Third Vice Chief, Vigil Chief, and NOAC Contingent Leader this year. With those three positions I have several messages to pass on to all of you already.

First, for anyone that may be interested in portraying principles in ceremonies make sure to talk to me in person or contact me some other way (email works great). I am working to put together a record of all those who are interested and ready to help with ceremonies so we can make sure to have teams ready for every occasion that can give the best experience to the candidate. Once I have your contact info I will likely be sending out a survey that will help place you where you want to help in ceremonies, be it portraying a principle or helping set up sites.

Also, Vigil Nomination Forms are now out. Be sure to look through and fill out a nomination for anyone you think would be a good candidate for the Vigil Honor. The more nominations we have for any given person the more likely they are to be accepted, so nominate your people, don't wait and expect others to do it for you.

Finally, if anyone planning to attend NOAC has questions you need answered, the Lodge banquet is a great place to ask them! If you don't know where to start, find me and I will either answer your questions or direct you to someone who can.

## A FAMILIAR THEME WITH A POTENTIALLY PROFOUND IMPACT

### National Officers Invite You to "Step Forward" in 2020

*by Sam Taylor, First Vice Chief*

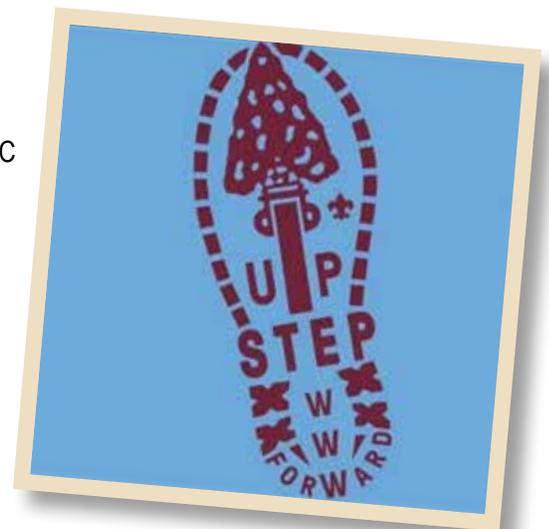

Congratulations to our 2020 National Officers, particularly our Western Region Chief, Gavin Cho (far left) from Verdugo Hills Council, California

Dozens of Arrowman converged upon Dallas, Texas, December 27-30 for the 2019 National Planning Meeting. Led by the 2019 National officers, the meeting is attended by each Section Chief and includes the election of our six 2020 National officers: The National Chief, National Vice Chief and four Region Chiefs. The officers are elected from and by the field of Section Chiefs. The meeting also serves as a rally point for the coming years' national program of emphasis. This years' emphasis is the National Order of the Arrow Conference (NOAC), August 3-8 at Michigan State University! Each Section Chief is focused on a particular part of NOAC. Our own Section Chief, Ben Eyeman from Sikhs Mox Lamonti Lodge, is part of the Recreation committee!

The NOAC theme is "Step Up, Step Forward". Strikingly similar to our 2018 Conclave theme "Step Right Up". The notion of stepping up to challenges with a cheerful spirit is precisely what Nisqually Lodge and the entire Order of the Arrow is doing in 2020. As Arrowmen, we have a unique opportunity to step forward in our units, schools and communities just as we stepped forward in our pre-Ordeal Ceremony and committed ourselves to facing the challenges of the Ordeal, perpetuated anew each day, with a pervasive cheerful spirit.

Please contact Laura Kitchings via email if you would like to join the NOAC contingent. You can also talk to her in person at the Lodge Banquet.

The theme for the 2020 National Order of the Arrow Conference is "Step Up, Step Forward". The conference theme was announced at the recent OA National Planning Meeting

*Continued on next page.*

**OA** - Order of the Arrow; Scouting's National Honor Society founded in 1915 by Treasure Island Scout Camp counselors E. Urner Goodman and Carol A. Edson.

**Region Chief** - There are four OA Regions: Central Region, Northeastern Region, Southern Region and Western Region (West Is Best!) Each Region is led by a Chief who enables each Section and Lodge to succeed.

**Section** - A collection of lodges in a particular geographic area. Section W-1N (Western Region, Area 1, North) serves both Lodges in Alaska and the three Lodges around the Puget Sound. The Section helps each Lodge build and maintain a quality program while also planning the annual Conclave!

**WWW** - Wimachtendienk Wingolauchsik Witahemui (Brotherhood Cheerfulness and Service); the three primary principles of the Order of the Arrow in the language of the Lenni Lenape, Natives of the Delaware River Basin, the area where OA was founded.
